Wonderful new construction penthouse with 2 bedrooms and a 41 m² terrace to be used as a solarium or chill-out area for sale in the Eixample Right of Barcelona.

Lucas Fox presents Córcega Sardenya, an exclusive new construction development in the heart of Barcelona's Eixample, specifically, next to the Sagrada Familia. It is a quiet residential area, with all kinds of services, as well as tourist attractions, green areas and an excellent connection with the rest of the city.

The apartments are located in a completely new five-storey building with an elevator that connects all the floors. There are only two neighbors per floor, for the peace of mind of its residents.

This wonderful two-bedroom penthouse benefits from a modern design, with straight lines and colors in light and neutral tones that give an excellent feeling of spaciousness to the space. In addition, to improve the fluidity and spaciousness of the space, it presents the open plan day area, with the living room, dining room and kitchen in an open space. The living room area has access to a balcony that provides a lot of light.

The night area offers two bedrooms, one of them with access to the balcony, and a complete bathroom.
Finally, there is a large 41 m² terrace, where you can set up a chill-out area with sofas, perfect to relax after a long day, as well as a solarium area to sunbathe in the months of summer.

The house enjoys large windows that allow the entry of abundant natural light and excellent views of the streets of Eixample in Barcelona. Finally, they are offered with a fully equipped kitchen with the best qualities.
