OVERVIEW

Spacious 3-bedroom apartment with lots of light and a balcony of approximately 10 m² for sale in Barcelona's Eixample Left.

This fantastic 152 m² apartment is located in the Left Eixample, near the Hospital Clínic. The house, located on a third floor, stands out for its spaciousness, greater than that of the buildings in the area, for its abundant natural light in all rooms and for its balcony. It is presented in perfect condition and ready to move into. It is located in a building owned by the Metro 3 construction company, a building that has a double security door and parking.

Upon entering, we are welcomed by a large hall that leads to the kitchen, a good-sized space with a dining area and access to a practical gallery with a utility area. It should be noted that the kitchen is fully equipped for your comfort.

Returning to the hall and on the left, we go to the living room. This large room, bright and well distributed, has access to a large balcony facing the sea, perfect to relax after a long day. From the dining room, we go to the wonderful master bedroom with private bathroom, which also has access to the balcony that it shares with the living room.

To the right of the hall, a corridor leads to the night area, which houses two other bedrooms, all of them spacious. A complete bathroom that serves these rooms completes the house.

The property has wooden floors and is equipped with air conditioning, double-glazed windows, heating and an alarm system to guarantee your comfort at all times.

The apartment has a large parking space non included in the price
