OVERVIEW

Spectacular exterior-facing apartment completely renovated with 2 bedrooms, with a spacious living-dining room and a separate kitchen for sale on the seventh floor of a property in the Eixample Right of Barcelona.

Spectacular 90 m² apartment completely renovated for sale in a stately building from 1951 with a lift, located at the crossroads of Calle Padilla and Industria. It is an excellent location in the Eixample Right, near the Sagrada Familia and very well connected to the centre of Barcelona.

The apartment is located on a real seventh floor, so it enjoys a lot of natural light.

Upon entering the apartment, the hall welcomes us. Next, we find the separate utility area, with the kitchen on the right. In front, there is the living room with three windows facing the street. On the left, we find a complete bathroom and two double bedrooms, both facing the street and one of them with another private bathroom.
