Excellent 3-bedroom apartment with 162 m² terrace for sale in Eixample Left

3-bedroom duplex apartment with an excellent combination of contemporary elegance and historic charm for sale in a new-build development in Barcelona's Eixample Left.

This magnificent new development is in a strategic location in the heart of downtown Barcelona.

The building has maintained the front and rear façade, in addition to the main staircase and its skylight. The rest of the interior of the building is new, providing all the comfort of 21st century homes whilst preserving an elegant appearance.

This duplex home located on the ground floor, offers a perfect layout of a day area on the lower floor and a night area on the upper floor.

With 3-metre-high ceilings which allow natural light to enter throughout the day, we access the apartment where we can find the dining room with a semi-open kitchen and from which we have access to a wonderful 155 m² garden on the living room level. Once we go up to the upper floor, we have 3 exterior double bedrooms and 3 bathrooms, 2 of them en suite.

The finishes of this project are high-end, offering equipped kitchens, underfloor heating, a sustainable aerothermal system, natural wood floors, among other finishes. You also have the option of obtaining a parking space on the same property at an additional cost.
