OVERVIEW

Detached house of approximately 411 m² with a garden on a 509 m² plot for sale in Sant Just Desvern.

In one of the best areas of Sant Just Desvern we find this impressive house with sunny and clear views.

The house was built in 1969 and later a reform was made consisting of an annex that includes a garage with capacity for 4 cars, as well as an additional floor with a multipurpose room, a complete bathroom and a large terrace, perfect for conditioning a chill-out area. These two floors are connected by an external staircase and also connects with the main floor.

The main floor consists of a very spacious living room with access to one of the terraces. Next to the living room, we find the dining room that leads to the fully equipped kitchen and, next to it, a small room as a second dining room. From here, we access the service area consisting of a bedroom and a bathroom. This same floor also has a gallery and a guest toilet.

The second floor houses the night area, composed of two large double bedrooms, very bright and with access to the terrace. Finally, there is another double bedroom and a complete bathroom. The floors are all connected by an internal staircase.

The top floor has the master suite with space for a gym and a large dressing room, as well as a large bathroom with a jacuzzi.
