OVERVIEW

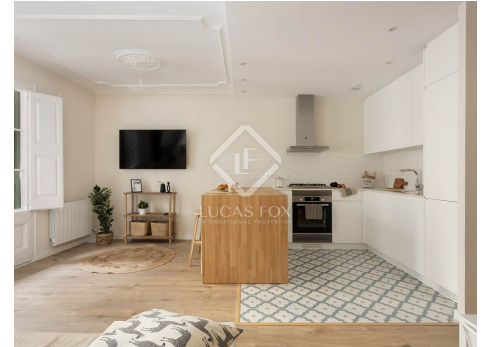

3-bedroom home for sale in a modernist building in excellent condition in an ideal location in Sant Antoni, Barcelona.

This apartment is located in a modernist building from 1900 in perfect condition that still has all of its original period charm. The property stands out for its recent renovation with high quality finishes and materials. The result of this meticulous renovation is a beautiful and very cosy home, which also has an excellent south-easterly aspect.

The apartment consists of a spacious living room, with access to 2 balconies that overlook Riera Alta street, a fully equipped kitchen with top brand appliances, 3 bedrooms and 2 bathrooms. One of the bedrooms has its own private bathroom, while the others share a second bathroom. There is also a laundry room and 3 patios, two in the hallway and one in the master bedroom.

Among the excellent finishes of the apartment, we highlight the wooden floors, the ceilings with original high-rise mouldings and lacquered swing doors.

An ideal opportunity for those looking for a brand-new apartment in one of the best locations in Sant Antoni, next to the famous Mercat de Sant Antoni and the city centre, surrounded by the best shops and restaurants.
