6-bedroom apartment with 14 m² terrace for sale in Eixample Left, Barcelona

Wonderful 182 m² apartment to renovate with great potential, with Nolla-type mosaic floors, 5 balconies facing the street and an interior terrace for sale in Barcelona.

On Gran Vía de les Corts Catalanes, next to Plaça Universitat, we find this magnificent 182 m² apartment to be renovated with five balconies, an 8 m² rear terrace and two large light wells.

The area enjoys all services and is perfectly connected. It is located 5 minutes from the train station that connects directly with the airport and 3 minutes from the beautiful Plaça Universitat.

The house is located in a beautiful modernist building that dates back to 1900, with many preserved details from the time such as the emblematic façade, stately entrance and floral details in the community area. The apartment retains original elements such as high ceilings, mouldings, elaborate Nolla mosaic floors and original windows.

The apartment offers great renovation potential, being able to make the most of the space and create large, comfortable and practical spaces. The exterior part currently consists of five rooms with a balcony, and inside we have two rooms with access to the interior terrace that enjoys direct sunlight. Thanks to its position with dual southerly and northerly aspect, the property enjoys a lot of light and facilitates very good ventilation throughout.
