OVERVIEW

Newly renovated 3-bedroom apartment with 2 balconies and a patio on Calle Rec Comtal in Barcelona's Old Town.

The property, located in a stately building dating back to 1878, is currently being fully renovated by a developer and will be delivered in pristine condition with particularly attractive interiors. It combines the charming original period architectural features such as the Catalan vaulted ceilings, restored wooden window frames and mosaic floor tiles with elegant modern touches.

It offers an attractive living room - dining room, a kitchen diner and a total of 3 bedrooms and 3 bathrooms, including the master suite which has its own bathroom, dressing room and study. The property offers spacious rooms with views of Calle Rec Comtal from 2 balconies and has an interior patio of 10 square metres.

An excellent property for anyone looking to live or have a pied-a-terre in a prime location in Barcelona.
