OVERVIEW

Exceptional new build 2-bedroom apartment with a 34 m² terrace in a renovated building with a community garden in Poble Nou, Barcelona.

Lucas Fox is pleased to present this exceptional new-build development, located in Barcelona's Poble Nou. It is a completely restored 1936 building with a lift and video intercom, which also offers a community garden, so you can enjoy Barcelona's excellent climate throughout the year. Its privileged location benefits from an incredible fusion between the traditional, with local services, and the modern, with the latest technology and art galleries, with an industrial atmosphere. In addition, it enjoys a very quiet environment, with easy access to the best beaches in Barcelona.

This apartment is located on the first floor of the building. Enjoy a modern and functional design, with wide and open spaces, as well as large windows that allow the entry of abundant natural light. Also, in its outdoor spaces, you can relax after a long day and take advantage of the mild temperature of Barcelona.

Upon entering, we find the spacious living-dining room with the open-plan kitchen, with access to a balcony. To the right, there is a bedroom and a bathroom, perfect for guests, and to the left, the master bedroom with its private bathroom and dressing room. Both bedrooms have access to a huge terrace with a chill-out area and outdoor dining area.

The house includes the best qualities. We can highlight the interior and exterior carpentry in wood with Climalit-type glass with an air chamber, the LED-type lights or the parquet floors in the main rooms, micro-cement in humid areas and rustic-style herringbone ceramics in the exteriors.

As for its facilities, it has ducted air conditioning with a Mitsubishi brand heat pump or similar and an aerothermal system for the production of domestic hot water and air conditioning. The kitchen comes fully furnished with high and low cabinets and a central island and equipped with all Bosch or similar brand appliances. The bathrooms include the best Roca brand equipment.

Finally, the development offers parking spaces on the property and storage rooms for an additional price.
