### OVERVIEW

**Sunny, recently renovated apartment on a high floor of a stately building with a lift at the heart of Barcelona's Eixample Left district.**

This gorgeous 2-bedroom apartment has been entirely renovated by renowned Barcelona architects, artfully combining elegant modern finishes with the early twentieth century features such as high ceilings, wooden carpentry and decorative glasswork with sensational results.

The apartment has a typical Eixample property layout with clearly defined day and night areas. In the day area we find the living room, dining room and kitchen with views of the street while the night area consists of a double bedroom with a dressing room and gallery and a master bedroom suite with a balcony over the interior block patio. In the middle section of the property we find a large storage cupboard and the utility area. The property benefits from hot and cold air conditioning.

A very attractive apartment in an excellent city centre location.
