OVERVIEW

Spectacular 90 m² apartment with 2 bedrooms and 2 bathrooms, renovated, but with original elements such as the Catalan vaulting for sale next to the Born Centre Cultural, Barcelona.

In a classic building from 1930 we find this spectacular apartment for sale. The building is located next to the Born Centre Cultural, in the most desirable area of the Born neighbourhood, next to Ciutadella Park.

The apartment was completely renovated, but the details of traditional Barcelona architecture have been preserved, such as the windows and the Catalan vaulting. The spaces were opened to maximize light and comfort.

We enter the apartment directly into the day area, with a spacious living-dining room with an open kitchen of about 50 m² in total. This open-plan room offers access to a small terrace equipped with a table and some chairs that overlooks a patio with lights. The space has been conditioned and renovated so that it has a lot of natural light, since it is also south-west facing.

From the living room, we access a hall that leads to the night area, with a double bedroom with wardrobe and private bathroom, another double bedroom and a second bathroom to serve the entire house.

This apartment is ready to move into, ideal as a first or second residence.

Do not hesitate to visit this apartment that Lucas Fox offers you exclusively.
