OVERVIEW

Wonderful fully renovated 105 m² property, with 2 double bedrooms, 2 complete bathrooms and a large kitchen-dining room area, next to Carrer Córcega and Carrer Marina, just a few minutes from the Sagrada Familia.

On the main floor of a classic building with a lift, in very good condition and with a recently renovated façade, we find this spacious apartment, completely renovated to a high standard, ready to move into.

Regarding the layout of the home, we enter directly through the kitchen-dining room area, of more than 25 m², where we find the kitchen area, with all the comforts and high-end appliances, and a large island with plenty of storage space. Storage and work top. To the left of the entrance, we find the spacious living room with double access to a nice balcony facing the street.

In the night area of the property, we find an interior double room and the master suite, with a dressing room and bathroom en suite. From the dressing room, we can access a corner designed as a small office and the utility area.

The renovation that has been carried out on the property is of high quality and is delivered ready to move into. Some details to highlight are the exposed wooden beams preserved in a large part of the property, restored original carpentry, exposed brick walls that provide uniqueness to the space, high ceilings with mouldings, ducted heating and air conditioning, etc.

A property with character, located a few metres from one of the jewels of Gaudí's architecture, the Basilica of the Sagrada Familia.
