OVERVIEW

Fantastic renovated dual aspect apartment with three bedrooms and two bathrooms, with two balconies on Avinguda Gaudí.

In a classic building from 1948 located on Avinguda Gaudí we find this fantastic renovated apartment.

It is located on a second floor, and measures 87 sqm. The apartment has been completely renovated, from the electrical installation to the plumbing, by construction specialists who carry out many projects every year in Barcelona.

The apartment has an ideal layout, with a day area facing the street, with a semi-open kitchen and a spacious living room. From the hall we have access to the guest bathroom, the third room (which is the only interior-facing room), and the two exterior-facing rooms to the block patio, facing west. One of them, with an en-suite bathroom, is the master bedroom.

The apartment is delivered fully equipped, with appliances, electric water heater, air conditioning and heating ducts, to have all the comforts.

Do not hesitate to visit this very special apartment.
