Excellent 4-bedroom penthouse with 20 m² terrace for sale in Turó Park, Barcelona

Spectacular renovated penthouse of 220 m² with a 20 m² terrace, located on the tenth floor of a prestigious building, very close to Turó Park.

This elegant home has been completely renovated by interior designer José Cortina and boasts high-end finishes.

We enter via a pleasant hall with built-in cabinets and that leads, on the one hand, to a bedroom suite, on the other, to the kitchen and, finally, and through a short corridor with a guest toilet, to the spacious and bright living-dining room with access to the 20 sqm terrace, which enjoys impressive views thanks to its height.

The same living-dining room gives us access to a corridor where we find a complete bathroom, a double room with a dressing room and a single room.

Returning to the beginning of the tour, we find the kitchen that has Gaggenau and Siemens appliances, among which it is worth mentioning a practical wine fridge. Adjacent to this, we find a staff bedroom with a complete bathroom.

In the dining room there is a cosy Bioethanol fireplace and the corner designed as a home office which is perfectly integrated with the rest of the space.

The night area is made up of an elegant bathroom with shower, 3 bedrooms, one of which is en suite, one single and one double, which has a complete dressing room. In all of them, there is an abundance of natural light and storage space in custom-made wardrobes.

The same building has a garage with a space that belongs to the home, included in the price. Finally, the building has a 24-hour concierge service.

Do not hesitate to contact us for more information or to request a visit.
