OVERVIEW

Newly renovated 3-bedroom apartment with terrace and balcony for sale on a main floor in an up-and-coming area of Barcelona.

This recently renovated 116 m² apartment is located on the main floor of a well-preserved building on Carrer Sepúlveda, in the Barcelona neighbourhood of Sant Antoni.

The apartment enjoys high ceilings of more than 3 metres and has been renovated in a beautiful style, with wooden floors, porcelain tiles in the bathrooms, led lighting, heating and air conditioning.

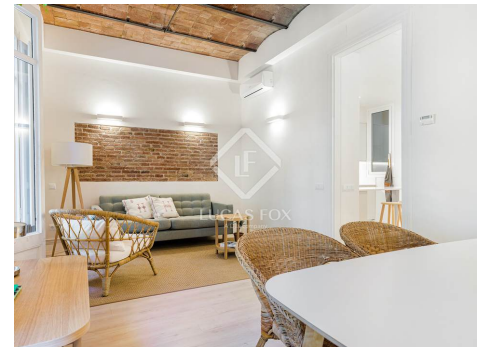

Upon entering, we find the open kitchen, fully equipped with the best qualities and a bar. To the side is the spacious living-dining room, with two exits to a continuous balcony of 3.5 m² with views of the street. In front of the living room, there is a small room that could be used as a single bedroom.

Returning to the spacious hall, we find a storage area with a window that overlooks the interior patio, which belongs to this house. On the right-hand side, there is a small double bedroom, with access to another private interior patio. Right in front there is a study area and then we come to the laundry room, the area for the boiler and a bathroom, which serves the entire home.

Finally, we find the master bedroom with its own complete bathroom, a large dressing area and a terrace of about 13 m².

The renovation has painstakingly restored the original woodwork and exposed brick walls, adding charm and character to this beautiful home.
