OVERVIEW

New construction 4-bedroom apartment with communal pool and terrace for sale in Barcelona's Left Eixample.

Lucas Fox presents the Paris Enrique Granados new-build development. We are facing a rehabilitated building that has preserved its original façade, but with all the new facilities. The renovation, carried out by the architects Jordi Pons Carrió and Didac Marsà Visay, presents the best qualities, with homes with excellent finishes and common areas designed for the enjoyment of the residents. The promotion also has an excellent location in the Eixample Izquierdo, next to Calle Enric Granados, in the heart of the city's commercial hub.

The five-storey building is divided into two stairways, one with two flats per floor and the other with four flats per floor. In addition, it has a ground floor with commercial premises and two basement floors that house the car parks, with pre-installation for a charging point for electric cars, and storage rooms available to residents. Finally, it offers a communal roof terrace with a swimming pool, solarium area and chill-out area so that residents can relax and contemplate its excellent views after a long day of work.

This 154 m² apartment is located on the first staircase, third floor. Upon entering, we find the day area, with the semi-open kitchen and the open-plan living-dining room with access to two balconies. Next, there is the night area with two double bedrooms, a single bedroom, a complete bathroom to serve them and the master bedroom with a private bathroom and access to a balcony. The apartment is completed with a guest bathroom.

The apartment has a modern and functional design, with the best qualities and finishes to guarantee maximum comfort for its owners. Likewise, it enjoys excellent orientation to maximize the entry of natural light.

The apartment includes the best qualities; among them we can highlight the parquet floors throughout the house, with the exception of the kitchen and bathrooms, which have porcelain stoneware floors, a class A energy efficiency certificate, armored doors, built-in wardrobes and LED lighting. For greater comfort throughout the year, it has Technal aluminum carpentry with thermal bridge breakage, double-glazed windows with an air chamber, air conditioning by sectorized air conditioning with ducted heat pump, heating and a double-flow ventilation system. with heat recovery. The bathrooms and the kitchen have the best equipment: the bathrooms with Duravit equipment and Grohe taps, while the kitchen has Bulthaup furniture and Neff appliances. Finally, it benefits from a home automation system that controls the lighting, the blinds, the air conditioning, the video intercom and the alarm.
