OVERVIEW

Large property on a fourth floor with five bedrooms, two bathrooms and a courtesy toilet in Galvany.

The flat offers an excellent orientation, with sun and natural light. It can be accessed through two entrances, the main one and the service one, so it can be segregated. The day area is oriented to the street, while the night area overlooks a quiet and spacious courtyard. The apartment has 218 m2 and a pleasant terrace of 15 m2, according to the cadastral registry.

The property was completely renovated in 2018 by the renowned group of interior designers Quintana Partners. They took into account many details and preserved the essence of the flat with original elements restored and replicated.

The property consists of five double rooms, one of them en suite with an integrated designer bathtub. In addition, it has two full bathrooms and a courtesy toilet.

The farm offers porter service and has two elevators, one of them with direct access to the parking spaces and storage rooms. Currently, the farm does not have parking or storage.
