The flat is located in the block of classic buildings in Plaça del Born, built with high-quality materials and with good stores on the ground floor. This apartment also has the particularity of having an optional parking space in the garage of the adjoining building, easily accessible and of good size.

The building has a modern elevator from the mezzanine floor (you have to overcome a flight of steps).

The house has a balcony with access from the living room and views of the market, which is below the house at the view level.
