OVERVIEW

Stunning apartment on the 19th floor with amazing views, in a building with a community pool and parking.

Apartment on the 19th floor with 360° views of the whole city of Barcelona.

The building is one of the largest buildings in the city, being one of the few with the height it has, which gives it a view over the rest of the city.

This apartment is sold with an optional parking space. Enjoy the communal roof terrace where there is a swimming pool for the use and enjoyment of the neighbours.

This apartment is on the 19th floor of the same building, and as we mentioned, it has spectacular views that cover 360° of the city. There is a direct view of the sea, monuments such as the Sagrada Familia or the mountains of Montjuic and Tibidabo.

It occupies a built area according to plan of 110 m² inside. In the current layout it has 3 bedrooms and 2 bathrooms, with the kitchen on one side and the dining room on the other, but it could be easily modified too if desired.

It is a special opportunity to carry out a project with unique views in the city of Barcelona.

Do not hesitate to visit it with Lucas Fox.
