### OVERVIEW

**Spectacular completely renovated 180 m<sup>2</sup> apartment located in the center of Eixample, which has three bedrooms with private bathrooms plus a fourth courtesy bathroom.**

Spectacular completely renovated apartment of 180 m<sup>2</sup> located in a regal and classic building in the Eixample.

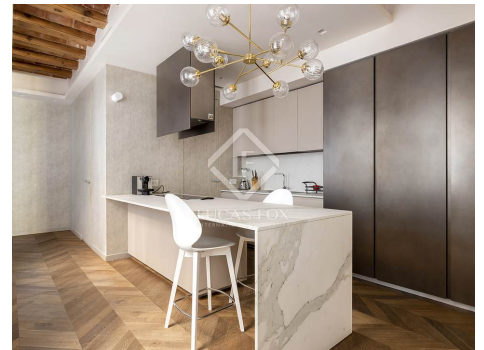

The housing building is a classic building in perfect condition, located in the noble area of the city of Barcelona.

This apartment, which was renovated in 2017, is on a fourth floor. It has both the natural light of a high floor and the majesty of a classic Eixample apartment and its original architectural details.

When accessing the apartment through the hall, we find ourselves right in front of the initial distributor with access to the courtesy bathroom. The kitchen is very spacious, fully equipped and has a bar. Next, we find the dining area, which is also connected to a large dining room. This one has large windows that face the street and that provide a lot of natural light.

From the dining room, we access a new distributor, in this case from the night area, which connects us with three spectacular bedrooms. All bedrooms have a walk-in closet and full bathroom, making them perfect for everyone to have the space and privacy they so desire.

It is a unique opportunity that we recommend you visit.
