Stately home of 201 m² with high ceilings and a large 120 m² terrace located on Avinguda Diagonal, next to Paseo de Gracia.

The property is located on the first floor of the building with access to a large private terrace and storage room.

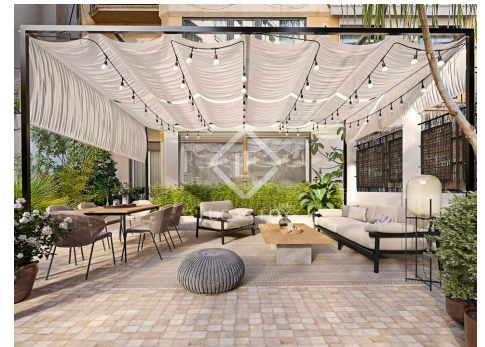

It is located in a building from 1930 that is in a very good state of conservation, which is accessed from Avinguda Diagonal. It has a stately entrance of classic architecture and has a main elevator and freight elevator through which the kitchen is accessed privately. The building also has a communal terrace.

Upon entering the property, we find a spacious hall that distributes the right-hand part of the house with a nice and a double bedroom with generous wardrobes that overlook Diagonal Avenue. Continuing along the corridor, we find a distributor that organizes on the right a magnificent double bedroom with a generous dressing room that has access to an interior patio, and access to the terrace at the back of the bedroom. Opposite this bedroom, we find another room and a full bathroom to the right. Finally, past the distributor, we have a beautiful living room used as an office, with an incredible window that provides a lot of light to the house. From this room, as well as from another room, we access the large private terrace, which has an area of 120 m², with a generously sized storage room at the back.

The entire house has gas heating, as well as air conditioning with a split system in part of the property. In addition, it has wooden floors, a fully equipped kitchen and double Climalit PVC windows.
