OVERVIEW

Bright and airy 4-bedroom apartment in a corner building on emblematic Rambla Catalunya. Fully renovated and ready to move in.

This gorgeous apartment is located on one of the most emblematic streets in the city, Rambla Catalunya. Located on a high floor of a building which dates back from 1964, this stunning property is composed of 4 bedrooms, 3 bathrooms and an inviting balcony overlooking the street.

Upon entering the apartment we access the entrance hall, which opens up to a fully equipped open-plan kitchen and a sunny and spacious living and dining room. Right next to the dining room we find the office, which could be used as a bedroom, playroom, library or whatever suits your lifestyle best.

Across the hall, we find a guest toilet, followed by the rest of the night area. Composed of 3 bedrooms and 2 bathrooms, this section of the apartment is very peaceful and quiet. The rooms are spacious and extremely sunny. There is also a very handy laundry room with optimal ventilation.

It has to be pointed out that the renovation and design of the home are exquisite. The renovation project was done paying close attention to detail and the new occupant will enjoy all of the fine finishes and well-planned layout.

Being in such a central location, there are countless public transport options, like bus stops, metro stops and also a train station not too far away by walk.
