OVERVIEW

Beautiful newly renovated apartment in the Gothic, with two very spacious bedrooms and a dressing room.

This bright apartment is located in the heart of the city. It is newly renovated, so it is in perfect condition.

In addition, it preserves original elements, such as the beams in the living room and the mosaic floors in certain areas of the house.

The day area is open concept, with the living room and the kitchen in the same room at two winds. This part of the house is the brightest of all, as it is located on the top floor and in the corner.

The parquet floors and the light make this room a very pleasant area.

On the other hand, we have two very spacious double bedrooms, one of them exterior and very bright.

The house has two bathrooms, one of them very spacious and with a bathtub.
