5 Bedrooms **3** Bathrooms **252m²** Floorplan **2m²** Terrace

OVERVIEW

This fabulous house, to reform, is located a few steps from Turó Park. It has spacious rooms, a living room with a fireplace and unobstructed views, five bedrooms and three bathrooms.

This excellent apartment to reform, of 252.50 m² and with a balcony of 2.67 m², is located in a classic building from 1952 that is very well maintained and in an unbeatable location. It has a concierge service and an elevator for residents and another for service. This property is characterized by its ability to adapt to the needs and style of its residents, since it can be reformed with high-quality finishes and materials that highlight the wide spaces and its high ceilings of 2.92 m.

The floor layout is very functional, as it clearly separates the day area from the night area. On the one hand, the day area is diaphanous, open and with large windows, which provides a sensation of spectacular spaciousness. The central hall has a built-in wardrobe and leads to a room open to the living room, which is used as an office. For its part, the living room has 30 m², a fireplace and views of Avenida Diagonal. Next to it, we find a 20 m² dining room with a gallery facing the same avenue and space to place a large dining table, with which we can enjoy pleasant evenings in company. In addition, the dining room has direct access to the kitchen, equipped with a very large office area. The washing and ironing area is located next to the kitchen and a service area with a complete bathroom and a double bedroom. Parallel to the hall is the service access.

On the other hand, the night area, which we access through a corridor with a very deep wardrobe, houses three double bedrooms with fitted wardrobes: two with views of a block patio, one of them with a balcony of 2, 67 m² and the third with views of the inner courtyard of the building. On the other hand, an en-suite bedroom, with built-in wardrobes and a bathroom with a bathtub, offers exterior views.

The entire property is equipped with central heating by radiators.

Under the building we find a garage that has spaces for rent, which we access from the adjoining farm or from the perpendicular street.

Without a doubt, it is the perfect home for a family. Contact us to visit this luxury property.
