OVERVIEW

Excellent 2-bedroom apartment on Rambla Catalunya, in one of the most luxurious areas of Barcelona.

Rambla Catalunya 107 is the epitome of luxury urban living with its superb location on Rambla de Catalunya, beautiful façade and stylish contemporary yet classic interiors.

This new development consists of two classic late 19th-century buildings in front of Passeig de la Concepció, a great spot with restaurants and a lively atmosphere. The apartments are a delight to live in with high ceilings, exposed brickwork, high ceilings, and luxury finishes. The building and its apartments reflect Barcelona's culture and aesthetic beauty and provide a strategic base from which to enjoy all these cosmopolitan city offers.

This 150m² property is on the main floor and offers an open-plan living-dining room and an open kitchen in the day area. In the night area, we can find 2 bedrooms and 3 bathrooms. From the gallery of this south-oriented home, you can enjoy Barcelona's sunlight from your peaceful apartment through your private 38m² terrace.

This an exceptional opportunity to make a home and enjoy high investment potential in one of Barcelona's most exclusive neighbourhoods.

Finishes are of excellent quality and the colour scheme is tasteful and neutral; meaning the new owner can simply move in and enjoy adding their personal touch to an already impeccable home.
