OVERVIEW

Exclusive exterior apartment of new construction with 2 bedrooms with terrace near the Sagrada Familia.

Sardenya 350-352 comprises three old industrial buildings that have been completely renovated to house 66 new homes with a communal garage on the two basement floors.

This set of three buildings is located in the most authentic area of Barcelona, L'Eixample. Here residents can enjoy all the tranquillity of a large residential area in the heart of a cosmopolitan city and next to the world-famous Church of the Sagrada Familia, a masterpiece of the architect Antoni Gaudí.

This apartment is located on the first floor of building 350. Distributed over 73m², we find a spacious living room with an open kitchen from which we can go out to the 4m² terrace that overlooks Calle Sardenya. Next, we will find the master bedroom with an en-suite bathroom and a double bedroom.

These homes are defined by simple and modern lines, warm and welcoming spaces and functional designs that adapt to your day-to-day life.

The use of quality materials, style, and good taste stands out in unique homes near the Sagrada Familia.
