OVERVIEW

New build 3-bedroom apartment with 8 m² terrace for sale in Eixample Right, Barcelona.

Sardenya 350-352 encompasses three former industrial buildings that have been completely renovated to accommodate 66 wonderful new homes with a communal garage on the two basement floors.

This set of three buildings is located in the most authentic area of Barcelona, L'Eixample. Here residents can enjoy all the tranquillity of a great residential area at the heart of a cosmopolitan city and next to the world-famous Sagrada Familia Church, a masterpiece of the architect Antoni Gaudí.

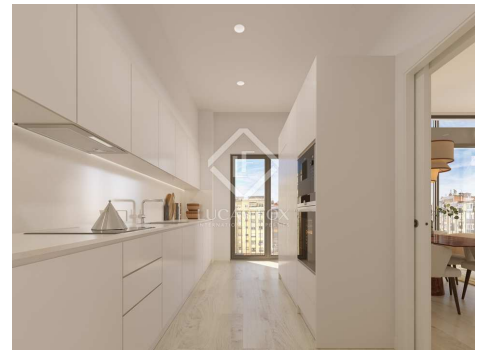

There are three entrances, but the main façade of the building faces Carrer Sardenya, a wide, attractive street, The three different entrances to the building give us a warm welcome, are fully accessible and beautifully decorated in soft, elegant colours.

This 3-bedroom, 2-bathroom property is located on the fifth floor and boasts impeccably finished interiors and large windows that flood this modern home with the Barcelona sunshine.

The kitchen feature a timeless design, marked by straight lines and a light colour scheme, while the bedrooms are cosy spaces that invite you to rest. These homes are defined by simple and modern lines, warm, welcoming spaces and functional designs to suit your day-to-day life.

The use of quality materials stands out, combined with style and good taste in unique homes close to La Sagrada Familia.
