### OVERVIEW

## A new development of 3-bedroom homes and studios for sale in Eixample Right, close to the Sagrada Familia.

Dos de Maig-Mallorca is a new development located within an apartment block in Barcelona's Eixample Right area, very close to the magnificent Sagrada Familia church by Antoni Gaudí.

The apartment block was built in 1975 and has 8 levels above the ground floor level, the first 2 of which are currently designed as offices and to be converted for residential use.

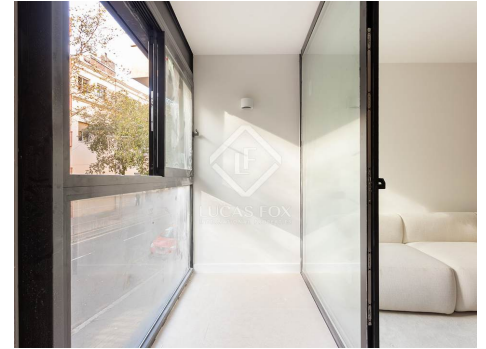

This particular apartment is located on the first floor and offers 2 single bedrooms, a double bedroom, 2 bathrooms, an open-plan living and kitchen area, as well as a courtyard and balcony.

These homes will be equipped and finished to a high level, with features such as natural wood flooring, wood and porcelain wall cladding, air conditioning through ducts and an arothermal energy system.

Bright, neutral colour schemes and abundant natural light complement the contemporary luxury character of these properties and make them an ideal new home that only requires your personal belongings to make it home.

The published pictures correspond to the show flat and may not match this specific unit.
