OVERVIEW

Apartment to renovate in one of the most sought after areas of Zona Alta, a few steps from the prestigious Mandri street and next to the Plaza de Ferran Casablanacas.

Apartment located in the heart of the La Bonanova neighbourhood , an unbeatable area surrounded by all kinds of shops, garden areas , restaurants and national and international schools.

The property has 136 m2 and great potential to reform it to suit the buyer. Currently, it has five bedrooms and two complete bathrooms, a service room with a toilet and three additional rooms (two of them double). The night area is very quiet, and in its day area, we find the kitchen diner and a large living room that leads to a large and sunny terrace of about 10 m2 facing a quiet and tree-lined street. Likewise, we also have a separate laundry area .

In the images of the property from photo 27, photos of a newly renovated apartment on the same building with the same meters and orientation are shown.

The apartment includes a rotating garage space, an area to park motorcycles and bicycles and a storage room on the building.
