OVERVIEW

Magnificent apartment two streets from Paseo de Gracia, recently renovated and with 140 m2, three double bedrooms, two bathrooms and a semi-open kitchen.

The property is located on the fifth floor of a 1940s building in perfect condition and with a concierge service. This spacious and bright apartment, completely renovated with high specification, is ready to move into.

The property has a day area facing Rosselló street, with spectacular views of the Casa de les Punxes by Josep Puig i Cadafalch. Here, we find a spacious dining room living room of almost 30 m2 and a kitchen of more than 20 m2 fully equipped and semi-open to the living room.

The night area houses three double bedrooms. One of them, the master suite, has a private bathroom and a nice balcony facing the island patio. In this area we also find another complete bathroom , as well as a laundry room space.

The renovation carried out on the property is of an unbeatable quality, respecting original architectural elements such as the exposed ceilings with Catalan vaulting and some exposed brick walls, thus giving the spaces personality. On the other hand, we highlight the centralized heating by radiators throughout the building, the air conditioning and heat pump through ducts, the natural oak wood floors or an incredible kitchen fully equipped with high-end appliances .
