OVERVIEW

114 m2 penthouse + 100 m2 terrace, completely renovated and located in a building in perfect condition, with lift and in the heart of Barcelona's Ramblas.

The main floor of this magnificent penthouse is distributed in a large living room - dining room, separate kitchen, two double bedrooms with dressing room and complete bathroom en suite, guest bathroom and a comfortable storage area. Both the living room and the bedrooms have access to a large terrace of approximately 100 m2 where we find a swimming pool, ideal for enjoying the summer. In addition, by having large windows, the property receives a large amount of natural light throughout the day.

The renovation of this penthouse is of excellent quality, creating a very modern and functional property, ready to move into. Some details of the renovation that we can highlight are the wooden floors, the air conditioning and heating ducts, the fully equipped kitchen with high-end appliances, the wooden beams or the wonderful views from all the rooms.
