OVERVIEW

Mandarin Oriental Residences

Situated in a prime location on Passeig de Gràcia, with unrivalled views of the city and Gaudi's La Sagrada Família, we find this stunning 20-storey architectural landmark designed by the renowned Spanish architect Carlos Ferrater. The owners Club, occupying the entire sixth floor, offers world-class amenities including the outdoor rooftop garden and swimming pool, fitness and wellness areas, a library lounge and meeting rooms.

Outstanding service is at the heart of the Mandarin Oriental experience and the dedicated team are experts in personally knowing the residents' preferences and expectations. The on-site team is focused to making residents' lives run as smoothly as possible. Exclusive services available to residents include, among others, 24/7 concierge service and security, private butler, personal shopper, spa treatments, childcare, gardener, catering, housekeeping, maintenance or chauffeur.

The Residences range from one to four bedrooms, all finished to the highest standards, most refined design and completed with stunning unique kitchens. The spacious corner living and dining areas are the centre of these homes, which perch elevated above the bustling city below. Vast windowsills created as panoramic seating benches allow you to take in the sweeping cityscape, sea coast and mountains, which is equally stunning by day and by night.
