OVERVIEW

This property is located in a charming building from 1800 that still houses marvelous period features, such as Catalan tuff floors and high ceilings.

Discover the charm of the historic centre of Barcelona with this one-of-a-kind property! Located in a 14th century building, just a 15-minute walk from Puerto Vell and the beaches of La Barceloneta, this loft-style property is the ideal place to enjoy the city.

With a constructed area of 264 m², this oldest inhabited house in Barcelona has two double bedrooms, a complete bathroom and a guest toilet . But that's not all, its spacious open-plan living room offers the perfect space to enjoy the luxury of an open plan kitchen, dining room and living room in one place.

You are interested in the history? Then don't miss the opportunity to live in the heart of the old Jewish neighbourhood of Barcelona (Call)! This property is located on the main street where the synagogue was, and its domed façade reminds us of the 1428 earthquake that shook Catalonia. In addition, in 1898 two houses were joined to create this architectural jewel reformed by the modernist architect Antoni Maria Gallissà i Soqué, who worked with Domènec i Montaner and Jujol.
