OVERVIEW

We present this fantastic penthouse on the ninth floor with views of the sea and the mountains.

The property is located in the prestigious area of Turó Park, in a 1981 building in good condition with a concierge service. Thanks to its terraces at each end, it has two orientations. In addition, it has a constructed area of 202 m² and an exterior space of 24 m². Its square layout makes the most of its spaces, well separated between the day area. It has a comfortable and spacious entrance hall and a spacious 50 m² dining room living room with access to a pleasant 15 m² terrace. On the other hand, the kitchen with an office area is fully equipped and can be integrated into the living room. In the night area we find four exterior double bedrooms with views and access to the terrace. One of them is en suite and the others share a large bathroom. The fifth room is for service, with a full bathroom and a space for laundry room included in the kitchen area.
