5 Bedroom apartment with 20m² terrace for sale in Les Corts, Barcelona

Fantastic property on the top floor totally exterior with views from all rooms.

Very close to the prestigious L'illa Diagonal shopping centre , we find this magnificent three-sided apartment on the top floor of a 1980 building that has a comfortable 20 m² terrace, garage, concierge service and service lift .

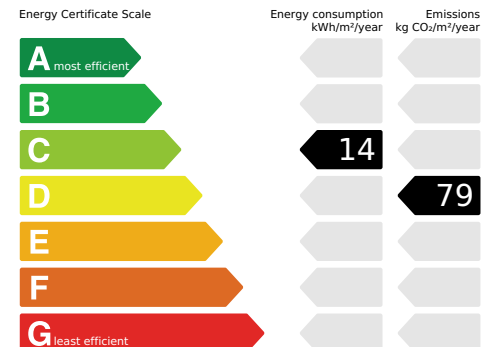

The apartment is in good condition, but requires updating. It has four bedrooms, three bathroom and a service area that includes a room and a bathroom. Great layout potential for those who need it since it has a square layout with partitions. It is divided into a day area , separated by a spacious entrance hall that leads to a generous kitchen with a utility room and a service area with a bedroom and bathroom . Its spacious dining room living room includes a fireplace and direct access to a practical 15 m² terrace facing southeast. The night area consists of four exterior double bedrooms, two of them with private bathroom and the other two with a shared bathroom . On the other hand, the apartment has two entrances: the main one and the service one.

We highlight the natural wood floors, marble and ceramic tiles in the bathroom, gas heating by radiators and central air conditioning. In addition to the concierge service, the apartment includes three parking spaces and a storage room with direct access from the lift. For its part, La Finca has a very good state of conservation and a garden area.
