OVERVIEW

Excellent new 2-bedroom apartment for sale in Eixample Right, Barcelona.

Located in the sought-after Eixample Right area of Barcelona, we find these new homes for sale, ranging in size from 62 to 216 m², within a fully renovated building with a lift and a concierge service during working hours. The position within a corner building in front of Plaça Monumental, close to the 22@ tech district and many services and public transport options, makes it a strategic base within the city. What's more, the entire area is currently undergoing renovation and will soon be one of the most updated areas of the city.

This particular second floor property measures 95 m² and has a practical layout with a living room - dining room, a kitchen, a bright gallery (a glazed balcony space), 2 bedrooms and a bathroom.

Spacious, airy and particularly bright thanks to the large windows, this apartment has been finished to a very high level with excellent quality materials and fittings, including wooden flooring, air conditioning and electrical appliances.
