### OVERVIEW

## Completely renovated apartment with high quality finishes near Francesc Macià

This property has a comprehensive renovation with exceptional details and qualities. It consists of two spacious rooms (one of them en suite) that offer a cozy and comfortable atmosphere. Each of the two bathrooms has been designed and equipped with modern and premium fixtures.

Both the day area and the rooms are very bright thanks to their large windows that allow natural light to enter every corner. In addition, the high ceilings give the feeling of greater spaciousness. On the other hand, this part of the property has a large balcony with outdoor space to enjoy all year round.

The high-quality finishes are reflected throughout the property, from the floors to the details of the kitchen and bathrooms. The chosen materials are not only durable, but also provide an aesthetic touch that elevates the set to a level of luxury.
