132 m² apartment on a high floor with clear views, for sale in the Sant Gervasi-Galvany area of Barcelona

Well located property with unobstructed views and great renovation potential.

The apartment enjoys a very central location, on Calle Aribau, 5 minutes on foot from Diagonal and in an area that is full of shops, bars, restaurants and supermarkets.

The property has unobstructed views and a small balcony with space for a table and chairs.

Many of the walls are partitions that may be knocked down or moved, meaning that there is a great deal of flexibility in designing a completely new layout to suit the new owner's needs.

There are currently 2 bathrooms and 4 bedrooms in total: a double en suite, 2 further doubles and a single. The kitchen has a practical utility area and the property benefits from natural light and air conditioning.

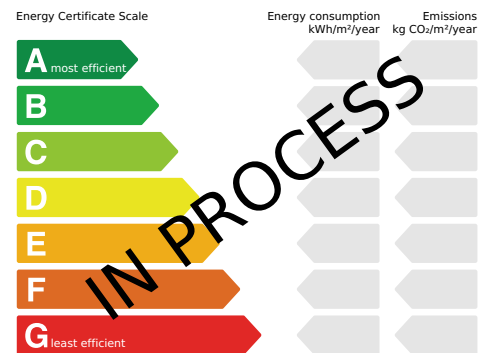

There are 2 lifts, a communal terrace and a concierge service in the building.

A Barcelona property with great potential.
