OVERVIEW

Apartment completely renovated in 2021 with two double rooms

Apartment for sale in l'Eixample Izquierdo.

Lucas Fox presents this magnificent property located in a modernist building a few steps from Enric Granados and Consell de Cent streets. It has a highly sought-after location and well-preserved period features, making it a great opportunity to own a charming apartment.

It was completely renovated in 2021 and stands out for its spacious rooms with high ceilings, its good luminosity thanks to its height and its typical period elements.

A hallway leads to a night area where we find two bedrooms (one en-suite and one double), a large dining room living room with a practical, very spacious fully equipped open kitchen and a gallery that adds more charm to the space and that we could convert into an area chill out, study or small gym.

The property has well-preserved wooden and hydraulic floors, air conditioning and double-glazed windows.
