### OVERVIEW

## New build 3-bedroom apartment with 6 m<sup>2</sup> terrace for sale in Poblenou, Barcelona.

This Poblenou Homes project consists of a total of 46 apartments.

We enter the building and find no less than 5 lifts which can take us to our property directly via code-controlled access.

The aesthetic of the communal areas is one of tranquillity and elegance, enhanced by a stylish neutral colour scheme and high-quality natural materials. This theme continues inside the individual properties, many of which feature high ceilings with exposed wooden beams and plastered vaulted ceilings, which add a touch of warmth and character.

This second floor apartment has a built surface area of 109 m<sup>2</sup> plus a terrace, offering a living, dining and kitchen area, three bedrooms and two bathrooms.

A balcony provides the ideal spot for your morning coffee, and a utility gallery area neatly stores laundry appliances out of sight. The A-rated energy efficiency of these homes will provide significant savings on utility bills as well as protecting the environment.

This development boasts excellent communal areas such as an interior garden with a pool, an air-conditioned gym and a rooftop terrace with a yoga space.
