OVERVIEW

One-of-a-kind 4-bedroom residence with two spacious terraces available for sale in the iconic neighbourhood of Gràcia, Barcelona.

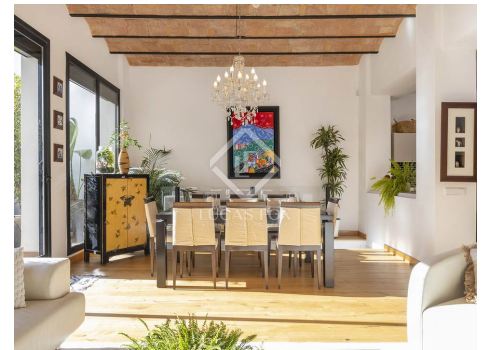

Lucas Fox presents this ground floor, exquisitely designed duplex apartment in the heart of the iconic Gràcia neighbourhood, just minutes away from Ronda de Dalt, between Lesseps and Alfons X. Spanning across 260 m², the property boasts two spectacular 140 m² terraces and four double bedrooms.

Situated within a charming three-storey building, this residence is located in a peaceful residential area of Gràcia, close to a wide array of shops, restaurants, entertainment venues, and public transportation.

The property has two entrances: the main entrance from the building and a service entrance from the street, featuring opaque glass and security protection. This service entrance leads to a spacious storage area, perfect for parking bicycles and scooters, just before entering the home.

Stepping into the apartment, we see a spacious area with a large open kitchen, equipped with state-of-the-art Bosch appliances. The kitchen features a comfortable island with stools at its centre and a large dining table accommodating up to eight guests. Facing the kitchen, there is a double lounge/relaxation space with sofas and armchairs, perfect for enjoying peace and serenity. Bathed in natural light, this area provides access to a private terrace at floor level and a large skylight adorned with a vertical garden full of plants.

On this level there is a complete double bathroom with a shower and a double bedroom with a fold-out bed, built-in wardrobes, and an ideal workspace for remote work. At the far end of this space lies the gem of the property: a magnificent private terrace at floor level, spanning over 90 m² and furnished with a large wooden table, sun loungers, parasol, potted plants, and a 32 m² pergola for outdoor enjoyment. Adjacent to the pergola, an outdoor area offers a large kitchen bar with a barbecue, two cooking stations, countertops, a fridge, and a dishwasher.
