OVERVIEW

Renovated, furnished and brand new apartment located on the fourth floor of the building

Lucas Fox presents this renovated, furnished and brand new apartment.

It is located on the fourth floor of a 1936 building with an elevator and one floor per floor.

It has been restored with high-quality materials, preserving the hydraulic floors, the Catalan vaulting and the original carpentry. All these elements combine perfectly with style and elegance, thus creating a 21st-century modernist property .

It has two en-suite bedrooms, an open kitchen and a day area facing Aragón Street (with morning sun).

On the other side of the apartment, we find a pleasant little terrace with afternoon sun, which we access from one of the bedrooms.
