OVERVIEW

Property to renovate, located in one of the most sought-after areas of Barcelona.

This spacious property is located on one of the most prestigious streets in Barcelona's Zona Alta. With a built area of 285 m², it represents an excellent renovation opportunity in one of the city's most sought-after residential areas. In addition to its location on Reina Victoria Street, this apartment stands out for its abundant natural light, functional layout, and magnificent private terrace, ideal for enjoying the outdoors year-round.

The property currently features a spacious dining room living room with direct access to the terrace, perfect for creating an elegant and open social space. The separate kitchen with a breakfast area offers additional space for rearranging as needed.

The well-differentiated night area houses a very bright master suite with a private bathroom, an study or multipurpose room and two additional bedrooms that share a full bathroom (one of them with access to a second private terrace).

The current layout offers great possibilities for modernization and redistribution, allowing the property to adapt to a contemporary lifestyle while maintaining spaciousness and maximum comfort.

La Finca is elegant and in excellent condition. Therefore, this property combines a privileged location, ample space, and potential for customization. All of this makes it the ideal option for both families and investors looking to create a luxury property in one of the best areas of Barcelona.
