OVERVIEW

Lucas Fox presenta este luminoso ático a tres ventos reformado integralmente a estrenar, de 186 metros cuadrados construidos con cocina abierta a gran sala de estar y cuatro suites en el distrito de Eixample, una de las zonas más céntricas de Barcelona.

Upon entering the apartment, we find a spacious living room with an open island kitchen. This kitchen is fully equipped with integrated appliances and a beautiful 27 m² rectangular terrace, which is accessed through a large sliding window. From there, a small hall leads us to the night area. Here we have four suites with large windows and built-in wardrobes, although three of them have a full bathroom with a shower and the master suite bathroom with a bathtub and a dressing room. A guest toilet completes this area. The comprehensive renovation of the property stands out, with a minimalist design, light tones and great attention to details. It maintains the Catalan vaulting on its exposed brick ceilings as a hallmark, which maximizes the feeling of space and luminosity. At the same time, it gives all the prominence to its enormous windows with views of the Sagrada Familia and the emblematic Tibidabo.
