OVERVIEW

Renovated 100 m² apartment on a high floor. 3 double bedrooms, 2 bathrooms and a spacious and bright day area.

This stunning renovated apartment is located on the 5th floor of a building that dates back to the 1960s. It is equipped with a lift and has a concierge service. Right next to the building there are two different parking options.

The apartment spans 100 m² and is composed of 3 double bedrooms, 2 bathrooms, a fully equipped kitchen, spacious living and dining-room, an interior gallery and 2 balconies. No space is lost in hallways as the layout of the apartment is extremely well planned.

Upon entering the apartment we enter a semi-open plan kitchen that is fully equipped and leads out to an interior balcony ideal to be used as a laundry area.

The kitchen connects with the living and dining room, which is extremely spacious and bright. Being on a high floor and boasting dual aspect, the day area and bedrooms enjoy abundant natural light.

The night area is composed of 3 double bedrooms, two of which are exterior facing, and 2 bathrooms, one of them en-suite. During the renovation, materials of high quality were used, including natural wood flooring, double-glazed windows, aluminium carpentry and ducted air conditioning.
