OVERVIEW

1-bedroom apartment with a fabulous terrace, to renovate in Eixample, close to Francesc Macia.

In a great city centre location, on the principal floor of a stately 1930's building, we find this fantastic apartment of 59 m² with a terrace 38 m² (registered 48.51 m² with 55.65 m² of terrace) for sale. There is the possibility to install a lift in the building in the future.

The apartment offers a large number of design possibilities. As it is rectangular, it could be designed as an open-plan loft-style property. From the living room we can appreciate pleasant views of the substantial terrace, where the new owner may enjoy relaxing, sunbathing or dining al fresco.

This property would be particularly suited to an individual or couple looking for an attractive home or pied-a-terre in Barcelona centre, just minutes away from a metro station, schools, shops, restaurants, etc.
