### OVERVIEW

## Luxury property for sale in one of the best locations in the historic centre of Barcelona, overlooking Plaça de Palau.

Few apartments in Barcelona boast as much character as this. The bare brick walls and high Catalan-vault ceilings are a reminder that we are in a building that dates back to the 1800s.

The living room boasts a comfortable sofa and stunning solid wood dining table, while its walls feature some truly original décor: a mural, the flowers on the wall and the bright green tiles that contrast with the kitchen's white modern, minimalism. Its island will delight the chefs among you.

Stepping out on to the elongated balcony, we can enjoy majestic views of the Pla de Palau, the market square of medieval Barcelona and a gateway for everything that arrived in the city from the sea.

Follow the hallway, and you come to the stylish bathroom and its spacious shower. Next up is the single bedroom with its charming decorative touches and a small desk.

Finally, there is the large double room with its king-size bed and TV.
