OVERVIEW

For sale three-bedroom apartment with original elements in the heart of the Gothic neighbourhood (Barcelona)

The lift has a strategic location in a glass structure at the back of the central patio, which guarantees comfort without compromising the aesthetics of the building.

The property has an intelligent layout that makes the most of the space. In addition, it has three bedrooms and three full bathrooms for greater comfort and privacy.

The day area consists of a dining room living room and an open kitchen fully equipped with modern appliances , making it a functional space for cooking and socializing.

The three double bedrooms are spacious and quiet, one of them with a private bathroom. Hydraulic mosaic floors and carefully preserved original ceiling beams add a touch of historic charm to this modern residence.
