OVERVIEW

Apartment for sale in Poblenou (Barcelona), with two bedrooms with clear views and garage space included

This apartment is located on the top floor of a 2012 building, so it offers impressive panoramic views of Barcelona.

We access the property through an entrance hall that separates the night area. To the right we have a separate kitchen, fully equipped and with access to the balcony. Next to this there is a very bright dining room living room thanks to its large windows and balcony.

The night area consists of two rooms, both exterior and with views. One of them is an en suite for greater privacy and comfort, while the other double room has access to another full bathroom in the hallway, which guarantees functionality for guests.

A parking space is included in the same building with direct access from the lift.
