OVERVIEW

For sale fantastic luxury property of 166 m² in the sought-after area of Turó Park (Barcelona), with 2021 renovation , four bedrooms and four bathrooms

This incredible apartment, renovated in 2021 and ready to move into, is located in a majestic 1950 building with direct views of Turó Park.

The dining room living room is the main room , an area facing exterior with direct views of Turó Park. Here, four large windows allow abundant natural light to enter a day area that connects to an open kitchen by Boffi, with a minimalist black design that blends in beautifully with the living room. This fully equipped and panelled kitchen includes plenty of storage space and even a small wine cellar.

In the night area, we find two double bedrooms, both with huge wardrobes and a private full bathroom . The main bedroom is larger and faces an island patio that has more storage space. The apartment is completed with two other medium-sized exterior bedrooms facing a balcony of about 7 m², although they could be joined together to have a third larger bedroom . Finally, we have a full bathroom , a guest toilet near the day area, a practical utility area and a space like a storage room that leads to the service entrance.

The apartment has been designed in detail during its 2021 renovation by a renowned Barcelona architecture studio that has won numerous international awards.

Its qualities include oak herringbone wooden floors , marble in the bathrooms and kitchen, ducted air conditioning system and high-end appliances . For this and much more, this is a unique apartment in the area, which is also sold furnished.
